WELCOME TO ANGKOR GOLF RESORT

Our award winning 18 Holes golf course designed by European legend Sir Nick Faldo. We are conveniently located 5 minutes from Siem Reap International Airport and 10 minutes from Siem Reap City Centre and the Famous Angkor Wat.

WORLD CLASS THE FALDO COURSE

“ Our fairways are typically generous but our bunkering style is impressively bold. The greens have plenty of subtle undulations rewarding and encouraging a variety of approach shots. ”

Sir Nick Faldo

“ All my favorite design elements: visibility, definition, strategy, challenge, variety, balance, playability and enjoyment are here at Angkor Golf Resort. ”

Sir Nick Faldo

THE COURSE

Angkor Golf Resort, provides all level of golfers a challenging and fair test of golf. The par 72, 7279 yard championship course has seashore paspallum grass throughout the course allowing for an exceptional playing surface and enjoyable round.

Practice facilities include a 300 yards driving range, with target greens, putting green, short game area and practice hole. The contemporary designed club house consists of Asian and Western dining options, luxurious changing facilities and a well-stocked golf shop.

Our experienced, well-trained caddies and multi-lingual Caddies will assist you with your game and no doubt enhance your experience

OUR EVENTS

Angkor Golf Resort has become established as the top events venue in Cambodia and one of the best in SE Asia.

Our two flagship events are the **Angkor Fourball Championship** and the **Angkor Amateur Open**. These events attract 100+ participants from around the region and beyond, traditionally the three day events consisting of one practice round and two days of tournament golf on the award winning Faldo Design Championship Golf Course.

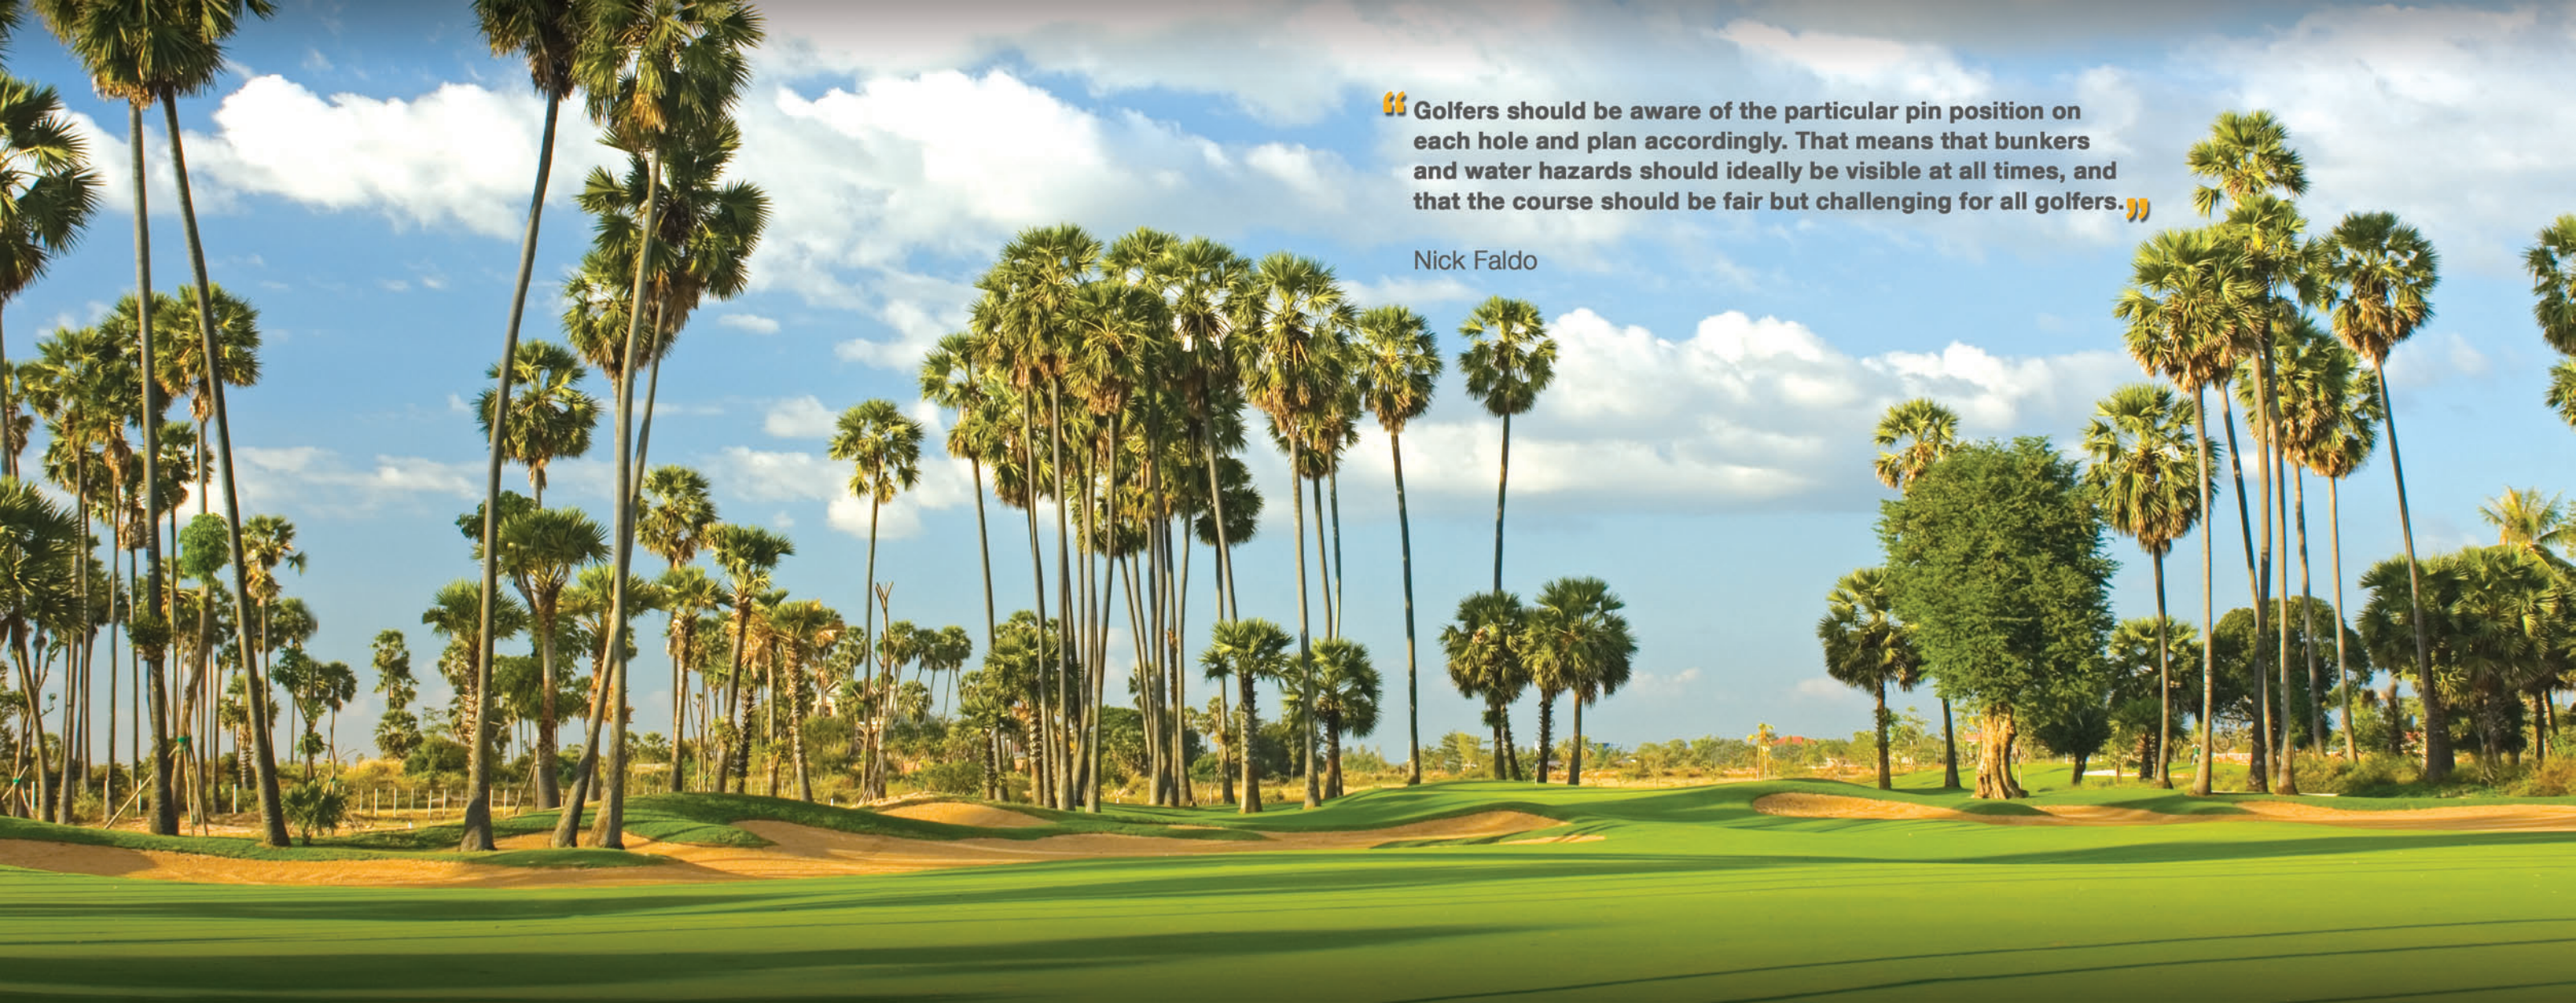

These annual event are scheduled for the first weekend of April and the the first weekend of August.

Angkor Golf Resort was also the **Ladies European Tour** venue for three consecutive years. This is a **Global Tour** with world class players who inspire fans and the next generation of golfers.

Each event is a big day out with fun entertainment and a festival atmosphere set in beautiful scenery.

“ Golfers should be aware of the particular pin position on each hole and plan accordingly. That means that bunkers and water hazards should ideally be visible at all times, and that the course should be fair but challenging for all golfers. ”

DESTINATION ANGKOR WAT

During the last two decades, Cambodia has developed a well-rounded tourist offer, with a wide range of cultural and luxury travel experiences. Of these, golf has received special attention, quickly growing in popularity among locals, tourists and expatriates.

Siem Reap is the epicenter of Cambodia's growing tourism industry. Aside from its prized asset; the historic Angkor Wat Temple Complex, Siem Reap is a beautiful, compact town bursting with culture and creativity. Siem Reap offers a wide range of accommodation; including hip hotels, chic boutiques and 5* branded properties. The town has also become recognized as a must visit destination for its luxurious spa offerings and wide range of culinary delights.

Our team is always happy to assist you in adding the finishing touches to your golf vacation.

THE ENVIRONMENT

At Angkor Golf Resort, we are an integral part of the local community and we go to great efforts to maintain and sustain our environment both on and off the golf course. Our golf course is home to a wide range of wildlife including over 50 species of birds, fish, water turtles and lots more.

We minimize the use of harmful pesticides by composting all reusable waste to fertilise the golf course. We have created numerous wetland ecosystems to filter any waste waters and our maintenance equipment runs fully on Bio Fuel. Our clubhouse and Tea Houses are operated using Solar Energy.
